REPORT OF SCHOOL BOARD

The town is to be congratulated on having had a successful school year and the scholars have made very satisfactory progress.

We must again impress it upon the parents that it is their duty to visit the school frequently. In this way they can note the methods of the teacher and the progress of the scholars and make intelligent suggestions which will be gladly received by the Board and acted upon.

There will be several items of importance to be decided upon at the coming meeting and it is to be hoped that all who are interested in the welfare of the schools will be present.

We suggest that the Selectmen raise by tax according to law the sum of \$250.00 for outside tuition and \$75.00 for supplies.
